### WHAT LEADERS SAY

*"The strong support we received from state and local organizations was essential to help provide Raytheon with the workforce and infrastructure to meet our growing demand."*

**Dr. Taylor Lawrence**  
CEO  
Raytheon Missile Systems

## Benefits of Tucson Airport Location (TUS)

- Only Arizona airport with 24/7 CBP air cargo handling
- No real property tax for tenants
- Expedited internal TIA plan review and permitting
- Business gateway between Southern Arizona and Mexico
- Direct access to two major highway systems
  - I-10 - one of 3 cross country freeways and only "all weather" interstate
  - I-19 - 60 miles to Mexico border
- TUS tenants include more than 100 companies in MRO, FBO, aerospace, aviation services and air cargo
- TUS property includes up to 5,160 developable acres, both airfield and non-airfield access
- TUS connects to hundreds of destinations around the globe; non-stop to 20 airports

## MAJOR AIRPORT AREA EMPLOYERS

- Raytheon Missile Systems
- Bombardier Aerospace
- Ascent Aviation Services
- FedEx
- HomeGoods
- Universal Avionics
